

# INVITATION LETTER

**Sharing Opportunities between China and Germany, Piloting Future with Innovation**

**Annual Meeting of China-Germany (Shenyang) High-End Equipment  
Manufacturing Innovation Committee and 2022 International Conference  
on Automotive Digitalization and Intelligent Manufacturing**

**20. Sep. 2022 - 08:30-12:30 CET**

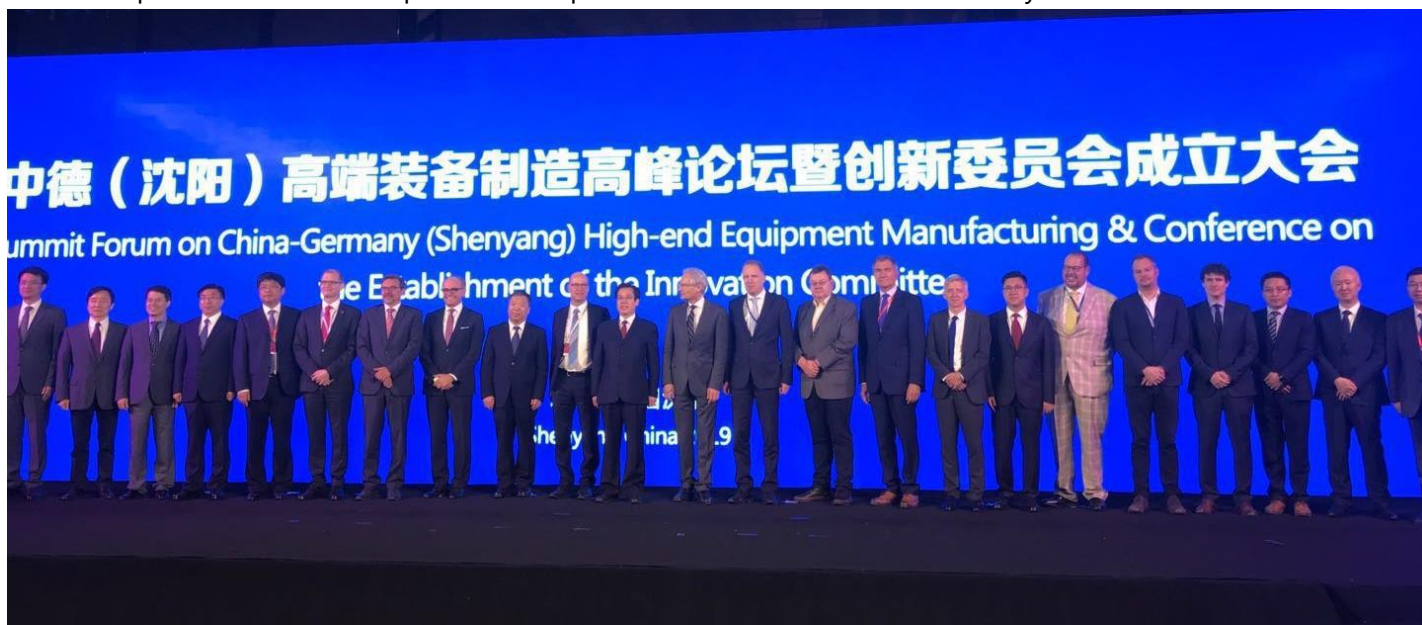

**Berlin & Shenyang / Online & Offline**

In June 2019, "China-Germany High-end Equipment Manufacturing Innovation Committee" (CGEMIC) was officially established in Shenyang with the joint promotion of both two countries. CGEMIC is served as a cooperation platform for enterprises, institutions, universities, research institutes and other organizations in the high-end equipment manufacturing industry of China and Germany, with Mayor of Shenyang Municipal People's Government as CGEMIC Chinese Chairman of the Chinese side, and Prof. Dr. rer. nat. Henning Kagermann, Chairman of the Acatech (German National Academy of Science and Engineering) Board of Trustees, as the current CGEMIC Chairman of the German side. Three professional branch committees in industrial internet, intelligent equipment, and dual education are founded within CGEMIC. The focus of CGEMIC is on building platforms for think-tank consultation, foreign cooperation, learning and sharing, solution implementation and industrial development. Since the founding of CGEMIC, innovative cooperation and exchange activities with Germany in various forms have been actively carried out under CGEMIC framework and reached positive outcomes with the strong support of the members of both sides.

**Prof. Dr. rer. nat. Henning Kagermann, Prof. Dr. rer. nat. Dr. h.c. mult. Wolfgang Wahlster and other members of the CGEMIC**

In order to further promote CGEMIC's 2022 missions, the 3rd Annual Meeting is planned to be held on 20th September 2022. CGEMIC Work Achievements will be summarized during the meeting, along with 2022 Work Plan to promote the cooperation projects in different fields featuring the innovation between China and Germany. We hereby sincerely invite you to attend the 3rd Annual Meeting of China-Germany (Shenyang) High-end Equipment Manufacturing Innovation Committee Event. Let us together witness the new chapter of friendship and the new development of cooperation between China and Germany.

Founding Ceremony of CGEMIC in Shenyang, China

## PRELIMINARY AGENDA

**Language:** Chinese and English (Simultaneous Interpreting)

### Opening Speech

- 08:30-08:40 Opening remarks and guest introduction | Mr. Zhou Zhou, Vice City Mayor, Shenyang
- 08:40-08:45 Speech by Mr. LI Jun, academician of the Chinese Academy of Engineering and chairman of the China Society of Automotive Engineers
- 08:45-08:50 Speech by Mr. LV Zhicheng, City Mayor, Shenyang
- 08:50-08:55 Speech by Mr. Zhao Fuquan, President of Tsinghua University Institute of Automotive Industry and Technology Development Strategy
- 08:55-09:00 Speech by Mr. Michael Schumann, German Vice Chairman of the CGEMIC und Chairman of the Federal Association for Economic Development and Foreign Trade (BWA) (online)
- 09:00-09:05 Introduces the construction of CGIP and the situation of CGEMIC | Mr. Guo Zhongxiao, secretary of CPC in Tiexi District Committee

- 09:05-09:10 Award the Letter of Appointment
- 09:10-09:15 Plaque Unveiling Ceremony

09:15-09:25 Signing Ceremony

## **Keynotes**

Moderator: Mr. Hou Fushen, Deputy Secretary-General of China Society of Automotive Engineers,  
Executive President of the CSAE Automotive Innovation and Strategy Institute

09:25-09:45 Speech by Academician Zhou Ji or Academician Guo Dongming

Topic: Intelligent manufacturing and the construction of a strong manufacturing country

09:45-10:05 Speech by Mr. Prof. Dr. rer. nat. Henning Kagermann, German Co-Chairman of the CGEMIC,  
Chair of the acatech Board of Trustees, Acatech Senator (online)

Topic: Current Situation and Trend of German Intelligent Manufacturing

10:05-10:20 Speech by Mr. Li Honggang, Director of Advanced Manufacturing and Networking Division of  
the Ministry of Science and Technology

Topic: China's Intelligent Manufacturing "14th Five-Year" Scientific and Technological  
Innovation Planning and Progress

10:20-10:35 Speech by Equipment Department or Equipment Center of the Ministry of Industry and  
Information Technology

Topic: China's "14th Five-Year Plan" for intelligent manufacturing and its progress

10:35-10:50 Speech by Wu Tong, Head of Advanced Manufacturing Project, Greater China, World Economic  
Forum

Topic: Looking at the development of the world's automotive intelligent manufacturing from  
the lighthouse factory in the automotive field

10:50-11:05 Speech by Mr. He Wei, President of GAST Strategy Consulting

Topic: Status and Trends of China's Automotive Intelligent Manufacturing

11:05-11:20 Dr. Franz Decker, President, BMW Brilliance Automotive Co., Ltd. (Video)

Topic: Planning and Practice of BBA's Intelligent Manufacturing

11:20-11:35 Speech by Chinese Automotive Enterprises

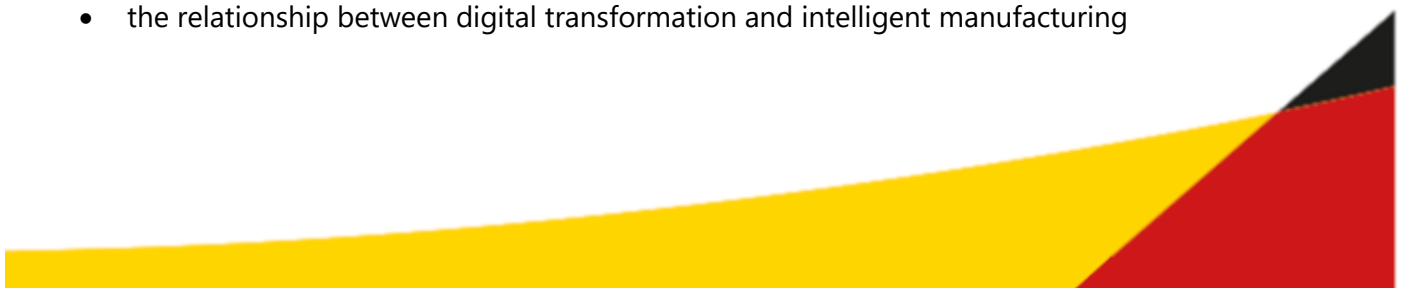

Topic: Planning and practice of intelligent manufacturing in complete vehicle enterprises

## **Innovation Partner Dialogues**

Moderator: Mr. Zhao Fuquan, President of Tsinghua University Institute of Automotive Industry and  
Technology Development Strategy

Topic :

- the relationship between digital transformation and intelligent manufacturing

- The main problems and paths by the digital transformation of the automotive industry
- Digital supply chain of the auto industry under the normal circumstances of the epidemic

Participants:

- Mr. Chen Wei, Executive Vice President of Chongqing Changan Automobile Co., Ltd
- Mr. Ji Huaqiang, Vice President of NIO Automotive Holdings Ltd.
- Mr. Ni Jun, Chief Product Officer of Contemporary Amperex Technology Co., Limited (CATL)
- Mr. Song Zhixin, General Manager of EVE Energy Co., Ltd.
- Mr. An Xiaopeng, Vice President, Ali Research
